

Interesting times ahead at The Haven.....

Well amazingly enough we are into the 5th year of publishing the Haven Arms Times - doesn't time fly!

We have a rather functional edition for you this time, details of what is on and coming up in the next few weeks rather than the usual mix of news, views and gossip. One titbit, however, of which more next time, is that we have a new Head Chef in the form of the highly experienced and qualified Nick White. Originally and quite noticeably by his accent from West Yorkshire but a Hedon lad for many years now! He has been here since the end of November and saw us very successfully through Christmas and it is fair to say he has found his feet already. There is a new emphasis on seasonality and local provenance and presentation of dishes - come and check it out.

We have listened to some of the suggestions you have made and improvements are in place. We welcome bookings for the restaurant by telephone, email or on line via our website. We will always confirm within 24 hours. We have new smart menus and offer a service which is more restaurant-like than pub-like with more sense of occasion for special occasions like birthdays and anniversaries. We are conscious that the choice for better quality food experience has just got smaller locally and want to fully meet your needs. Let us

know how you find us - suggestions are welcomed. Just to remind we are open from 8am until late every day - food is served continuously from 8.0am in the way of breakfast, tea and coffee, through lunch and afternoon tea until last orders in the restaurant at 9pm.

Look forward to seeing you soon. All at The Haven.

Sunday Lunch - five roast carvery every week

We are pretty serious about our Sunday Lunch - best meal of the week! We have five roasts - beef, pork, gammon turkey and lamb and have a rotational choice of seasonal fresh hand prepared vegetables. Home made Yorkshire puds, proper gravy and crispy but fluffy roasties completes the line up. Adults £8.95/ children £4.95.

Steak Night - Every Friday

Now becoming heavily booked, we recommend you ring, email or go on line to reserve a table to avoid any delay in being seated. From just £12 including half a bottle of wine or other drink.

Cash Prize Quiz-Every Wednesday

We have a new format for the quiz, which now has a cash prize for each of 5 sections plus bonus for the winners. Usually more than £100 of prizes every week. Entry only £2.50 includes supper.

We are having a push to build up our Twitter database. Please search out HavenArmsHedon and follow us. We will reward our followers generously and often, as well as keeping you up to date with what's on!

Here is a photo of our restaurant / function area just before a birthday party we hosted recently. The colour changing led ceiling is now in full operation. We can host your special occasion as simply or elaborately as you require. We have a choice of options for food from simple buffets to hog roasts and bbq's to formal meals and full banquets. Events can be held inside the main building or in our luxury fully heated and self contained permanent marquee and we also offer outside catering. We have the expertise and experience to host your wedding reception and christening parties and our costs are at the lower end of the price scale for comparable facilities. We have an outstanding customer satisfaction rating - nobody tries harder or cares more! Give us a call or drop us an email to discuss your requirements further.

The Gov

Another year older if not wiser, somewhat relieved to have got my own memorable birthday out of the way last year as well as that of the govern-ess and indeed the eldest child who became of age at very considerable expense and fuss.

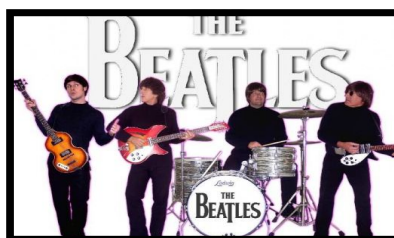

Friday 14 February - Valentines Night

(Menu on line at www.havenarms.co.uk)

This falls on a Friday and you have the option of booking a table for regular Steak Night or opting for the extra value three course meal in the restaurant priced at £24.95 per person. Live entertainment from the outstanding singer songwriter Astrid Brook (pictured left).

The weather has been pretty kind to us so far but I don't suppose the risk of snow is behind us yet. It is fantastic to think that it is only a few weeks until the clock goes forwards and we will have lighter nights again. But there I go, wishing life away again!

Saturday 8th March Sean Finch & Soul Stirrers

An outstanding night of soul, northern soul, Motown and rhythm with a bit of Van Morrison thrown in! Seven piece live band. Price £27.95 with three course meal or £10 entry only. What a party!

You asked for them again - so we booked em!

The latest health fad I plan to take up is cycling - road cycling that is. If only I can find the right bike, all my fitness problems will be over. Mountain biking was too hard work and off putting. I borrowed a top end road bike and that was much easier.

Sunday 30 March Mothers Day

We are expecting to be considerably oversubscribed this year and recommend you book your table now. Price £15.95 for two course meal, gift for mum & live entertainment. Child reduction.

As you will see we have got plenty going on in the business but still have availability for private parties and functions. We are progressing with energy saving improvements and external landscaping is scheduled. Never a dull moment.

So I will sign off for now, with the promise of much more next time when we go to print at the end of March. Till then, all the best.
